Dear Attorney Shusterman:

The State Bar of California Board of Legal Specialization's established recognition program for certified specialists who have been continuously certified by the Board in a particular specialty area for twenty years is pleased to add Carl Michael Shusterman, Board Certified Specialist in Immigration & Nationality, to this distinguished list.

At the State Bar Annual Meeting in Monterey, the Board of Legal Specialization honored 7 certified specialists now appointed to judicial service, 10 attorneys who have been board certified for thirty years, and 62 who have been certified for twenty years in the areas of Criminal Law, Family Law, Immigration and Nationality Law Taxation Law, and Workers' Compensation Law.

We regret you were unable to attend this celebration and the Board would like to take this opportunity to thank you for your belief in and support of the Legal Specialization program by presenting you with the enclosed certificate of appreciation and a twenty-year pin.

The California Legal Specialization program, now in its 35th year, was the first in the country and continues to be a model for other attorney certification programs, both state and national. We are proud of the program and of the certified specialists like you whose commitment to the profession has generated its success.

Sincerely,

A handwritten signature in cursive script that reads "Alice O'Sullivan".
