SUF [ECT : Authorizations for ALL Employment preference Cases

Eff ctive immediately it has been necessary to stop aut corizations in response to requests for <u>ALL Employment</u> <u>pre erence cases for the remainder of FY-2011</u>. This action has bee me necessary because the FY-2011 Employment annual limit has now been reached. Numbers will once again be available for all Employment categories beginning October 1, 2011 under their FY-1012 annual numerical limitation.

The above action is a direct result of the USCIS identification, in early August, of an extremely large amount of demand and subsequent processing. All USCIS Offices may continue to process Employment preference cases and submit them in the normal manner. Such cases will be held in the Visa Office's "Pending Der and" file.

On October 3, 2011, authorizations will be made covering all elegible cases which had been entered into the Pending Demand from September 15, 2011 through September 30, 2011 and are within the applicable October cut-off date.

Planse be sure that this information is passed to all personnel irrelated in the process of obtaining visa authorizations from the Visa Office for Section 245 cases.
