Dear Mr. Shusterman:

This is in response to your request of February 14, 2001 under the Freedom of Information Act (FOIA) for records of attestations or certifications under The Nursing Relief for Disadvantage Areas Act of 1999 governing the H-1C nonimmigrant program.

The Department has not approved any attestations submitted by hospitals that were not on the list of apparently eligible facilities. However, one hospital that was not on the list of apparently eligible hospitals has applied and was denied. We are providing you a copy of a listing of the status of all H-1C applications received to date, as well as a copy of the final determination for the denied application. To date, the Department has not received any requests for Administrative Law Judge reviews of final determinations.

I hope this information is helpful to you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dale Zeigler".

DALE M. ZEIGLER

Division of Foreign Labor Certifications
